LinkedIn: Néstor Bejarano

Néstor joined the Firm in 2007 and is a Director of the Intellectual Property - Patents area.

He holds a degree in Chemistry with a master's in Physical Chemistry from the Universidad Nacional de Colombia and a Master of Law with an emphasis on Intellectual Property from Universidad Externado de Colombia.

With over 17 years of experience as a patent advisor in Colombia, LATAM, the United States, and Europe, he has played a crucial role in all stages of the patent acquisition and defense process across various technological sectors. Additionally, he has supported technological surveillance and freedom-to-operate projects for numerous national and international companies.

PRACTICE AREAS

- Patents

Since 2017, he has been an active lecturer at WIPO, conducting courses on technological searches and patent drafting at the LATAM level.

Néstor has been recognized in Colombia by prestigious global rankings such as IAM Patent, where clients reference him as: *"a highly dedicated professional who provides complete technical advice on the matters he handles. I have witnessed his strategic skills regarding patents and intellectual property, which shows me that his skills go beyond the technical aspects of a patent: he is a leader in this area of practice."* Additionally, he is an active member of international legal associations, including the Inter-American Association of Intellectual Property (ASIPI).

RECOGNITIONS:

- IAM Patent 1000
