LinkedIn: Santiago Garzón Amaya

Santiago joined the firm in 2019 and is an associate specializing in Government Procurement & Infrastructure, Financial Law, Fintech, and Real Estate. He holds a law degree from Universidad del Rosario, with a focus on constitutional law, and has a strong interest in public law. Additionally, he earned a postgraduate degree in Public Management and Administrative Institutions and a Master's in Public Law from Universidad de los Andes.

His experience includes Public Procurement, Financial Law, and Real Estate Law, with a particular emphasis on negotiating and executing public and private contracts across sectors such as telecommunications, public transportation, infrastructure, construction, healthcare, and pharmaceuticals.

Santiago supports clients in structuring, presenting, and defending proposals before public and private entities, ensuring compliance with legal requirements and optimizing success in selection processes. He also provides strategic solutions for resolving disputes related to the execution of public and private contracts. Furthermore, he designs and develops real estate and financial instruments to facilitate and shape impactful projects in Colombia.

PRACTICE AREAS

- Real Estate law
